Foreword

In order for a Year Book to be a good annual, it must be a real memory book, a glorified family album, to tell a complete human history of one year of school life. It must also build good will for the school with the public by giving a true and comprehensive picture of what this institution is trying to accomplish. With these things in mind, we have tried to capture the activities of the school year 1957-58.

THE BEAR Staff proudly presents its '58 edition.

—THE EDITORS

Coach C. L. Moore

Coach Raymond Washington

Proudly We Dedicate The 1958 Bear

To

Coaches Clarence L. Moore
and Raymond E. Washington
who have done much to focus state-wide attention to our school. For their patience, fortitude, and faith, we salute them.

"S-L Loyalty Song"

Dear Stephens-Lee, we're loyal to you—
Hold your traditions sacred and true;
You'll find us ready, dauntless and steady
Our school, here's to you!

So rise and cheer old S-L High,
Send your praises afar to the sky;
With purpose true in all we do
We'll uphold and defend only you.
O, Stephens-Lee, your name we sing
To the echoes our voices will ring;
We give our all to every call—
To Stephens-Lee our best we bring!

The Crown and Scepter Honor Society

CITIZENSHIP, CHARACTER, SERVICE TO THE SCHOOL

The Crown and Scepter Honor Society recognizes outstanding scholarship; encourages citizenship, character and service. The Club sponsors an Honor Recognition Service quarterly to encourage and honor those students who have shown excellence in scholarship for the current marking period.

The Club supports all major pay activities by selling tickets. This year the members assisted in securing ads for the *Skylighter* and the '58 *Bear*. *Boyden, Wright, Paige, Waddell, Barksdale, Jones, Silvers, Tucker, Owens, Clinkscales, Thomas, Roberts, Bishop, Sloan, Jeter, Kennedy, Brown.*

Crown and Scepter Club holds Installation Service, with Mrs. Arney Johnson as guest speaker.

The Band Serves School and Community

Almost every day, from September through December, the band could be heard practicing—either in the gym or on the street. There was never a dull moment when practice sessions were in progress. Members know that practice makes perfect, and they realize that music helps to develop coordination and an appreciation for good music.

The band was always on hand during our victorious football season; it marched in town and out of town; for Armistice Day and Memorial Day; Christmas parades and Homecoming parades. Clinics, Festivals, Concerts — all made the year an exciting one for the band.

THE GLEE CLUB

Everyone understands the sounds that float from the first floor hall throughout the school. Everyone knows that the glee club is making ready for one of its many projects.

Whenever there is a special assembly everyone looks forward to hearing the wonderful blend of voices. This isn't the only student body that is able to enjoy the works of our Glee Club. There is an exchange program with other big schools, and appearances at elementary schools. Christmas brings caroling in the city annually, and at the Veterans Hospital in Oteen.

Springtime brings the annual Glee Club Concert. This concert is always an enjoyable affair.

The objective of this organization is, "To foster deeper appreciation and joy in harmonious accomplishment."

In her junior year, Mary Ann led the BEARETTES through an undefeated season; during that year, she set a record for the most points scored during one game, when she hit for 47 points against Morristown Junior College. Basketball

BASKETBALL TEAM

Though this year's schedule was one of the most difficult one the BEARS encountered, they proved to be one of the top teams in North Carolina. During regular season, the BEARS won only three games away, nevertheless they broke their losing streak by defeating Logan High of Concord. Perhaps the toughest game the BEARS won was against the giants of Austin High of Knoville, Tennessee, top Negro high school team in the nation.

The BEARS struggled untiringly to make the Western Tournament in Charlotte. With Julius Johnson and Harold Sweeney leading in points; the BEARS shot everything in sight clear out of West Charlotte's Gym. There they were crowned as the Western District AAA Champions, assuring themselves a berth in the State Tournament in Greensboro. There they lost to Williston High of Wilmington.

Each player was outstanding in his capacity, but perhaps the most outstanding of all were Julius Johnson and John Bonds. On account of graduation the team will lose—William Lewis, John Bonds, Joe Boseman, Julius Johnson, Robert Moore, Benjamin Curry, and Joe Feimster. However, others are being molded for next year's team.

The Yearbook Staff

In the preceding pages the BEAF STAFF has tried to give a complete picture of life in the "Castle on the Hill" as it was during the year of 1957-'58. As representatives of the Senior Class, the staff leaves a complete record of the last year at S. L.

Many weeks of hard work have gone into the 1958 BEAR, and it is the sincere hope of the staff that you will be inspired by the glow of Stephens-Lee's spirit captured on the pages of this 1958 edition of the BEAR.
